DeLACY'S CINCHONA CELERY AND IRON

Guaranteed to CURE

CATARRH, NERVOUSNESS, WEAKNESS, NERVOUS PROSTRATION, SLEEPLESSNESS, DESPONDENCY, APOPLEXY, PARALYSIS and all NERVOUS DISEASES. MALARIA; THIN, POOR BLOOD, LOSS OF APPETITE, DYSPEPSIA, KIDNEY and LIVER TROUBLES, CONSTIPATION, FEMALE COMPLAINTS.

MARCH 17TH 1901 THE SUN RISES ON HUMANITY'S GRANDEST MEDICINE DeLacy's Cinchona, Celery and Iron RESTORED STRENGTH, HEALTH AND PROSPERITY IS YOURS.

SKELETON HISTORY OF THIS GREAT REMEDY. Five years of unceasing labor required to perfect the formula. Five years of continuous improvements before this sterling preparation has been offered to the public. Hundreds of drugs used and cast aside; scores of others added. These were boiled down, sifted and re-sifted. Formula after formula tried. Ingredients added here, others taken out there, until 6 months ago the preparation was declared as near perfect as the brains of mankind could make it. To further demonstrate to ourselves that we had the most PERFECT and HEALTH-RESTORING formula in the world, we decided, before formally placing it before the public, to give it a 6 month's test in scattered drug stores over the United States. The result has been phenomenal. Reports of wonderful cures, letters of congratulation from scores of afflicted people, finally demonstrating to us, beyond the shadow of a doubt, that DeLacy's CINCHONA CELERY AND IRON is indeed Humanity's Grandest Medicine.

Had tried and used over 80 bottles of popular advertised remedies without any permanent relief. Mrs. L. Daniels, 1835 N. Broadway, makes the following remarkable statement:

"I have been troubled with acute kidney and liver trouble, together with dyspepsia and stomach trouble in its worst form; in fact, so bad was I that my head became badly affected and dropsy set in. I have tried numerous doctors, and have taken over 80 bottles of the popular advertised remedies (out of pure courtesy to the proprietors of these remedies) with no result. I am a weak woman. May God bless your remedy."

Mr. M. J. Day, Manager of the Boston Store, Broadway and Franklin Avenue, has tried it. This is what Mr. Day says:

"The great nervous and mental strain which I passed through with, on opening our new store, was something terrible. DeLacy's Cinchona, Celery and Iron was a blessing in my case indeed, for it not only pulled me through in excellent shape, but left me in a healthier, stronger condition than I have enjoyed for years. You certainly have a most wonderful remedy, one deserving of the very greatest success."

Nervous Prostration, a loss of 29 pounds of flesh, and a general breaking down of the whole system, completely cured, says Mr. C. B. Chittenden, one of the oldest travelling men out of New York City.

"I was completely broken down in health, had lost all energy and was ready to quit and give up. A friend told me to go to the drug store and get a bottle of DeLacy's Cinchona, Celery and Iron and try it as a last resort, as it had done him lots of good. Without any confidence I finally did so. I felt better from the first dose, and after taking two bottles was completely restored to health, gained 29 pounds and signed a new contract for \$2,500 per year. I am a DeLacy enthusiast, and talk it to everybody."

CAUTION! Don't accept inferior substitutes. The name DeLacy is on every package.

FOR SALE BY ALL DRUGGISTS EVERYWHERE AT \$1.00 PER BOTTLE, or sent by express, prepaid, receipt of price, \$1.00, or 6 bottles for \$5.00, by the DeLacy Chemical Co., St. Louis, Mo.
